ABOUT ME

My name is Elsa. I'm a 28-year-old female student at Medieinstitutet studying web development with specialized skills in e-commerce. I am currently seeking an internship opportunity in this field. My training covers both front-end and back-end development, focusing on back-end that blends creativity with problem-solving. Additionally, my background in Information Design has provided me with an understanding of user experience principles. I want to refine my skills by combining this understanding with technical proficiency to learn and create user-friendly digital experiences.

SKILLS

Programming Languages

JavaScript, Typescript, HTML, CSS, Sass, SQL, PHP

Libraries & Frameworks

React, Node.js

Tools & Platforms

Visual Studio Code, Git, GitHub, MySQL, Cypress, MongoDB, WordPress, WooCommerce, Adobe Photoshop, Adobe Indesign, Figma, Miro

LANGUAGE

- Swedish, native
- English, good knowledge of speech, writing and reading comprehension

INTERESTS

I enjoy music exploration, discovering new artists, and experiencing live concerts. I also love to read.

EDUCATION

2023 - Current

Web Development - E-commerce, Medieinstitutet

I am studying front-end and back-end development and expect to gain proficiency in e-commerce, including development for e-commerce platforms, system support, and integration with third-party systems.

2018 - 2021

Information Design - Spatial Design, Mälardalens University

I developed designs based on understanding how individuals interpret and experience their surroundings, utilizing various project methodologies.

2011 - 2014

Social Science Programme, Carlforsska Gymnasium

I specialized in Humanistic and Social Sciences with an international focus, including exchanges and study trips.

WORK EXPERIENCE

2022/02 - 2023/03

Barista, Thelins Konditori

I balanced proactive task management, attention to detail, and customer service.

2021/06 - 2021/12

Restaurant Assistant, Surahammars Golf Restaurant

I managed dishwashing, checkout, and maintained restaurant cleanliness with attentive service.

2018/04 - 2018/08

Receptionist, Surahammars Golf Club

I managed reception, checkout, and cleaning responsibilities to provide a welcoming environment.

2016/05 - 2016/08

Mashine Operator, Uponsor AB

As a machine operator, my main tasks involved operating and monitoring machines for efficient pipe manufacturing.
